

**FEDERAL OFFICERS ELIGIBILITY REQUIREMENTS PLEASE READ
ENTIRE PACKET**

After completion of some basic training, TCOLE Rule 219.2 allows eligible applicants to take the State Licensing Exam based on their prior service as Federal Investigators. This preliminary application will help us determine if you have the minimum required training and service time to be eligible for reciprocity under TCOLE Rule 219.2. Further instructions will be sent to those who qualify.

The length of previous service time and the date of your last active appointment will determine how much basic training you must complete to earn an endorsement to take the State Licensing Exam. Do not make career or life-changing decisions prior to completing the entire application process. Incomplete or incorrect forms and illegible documents will be automatically rejected and returned to the applicant.

It is highly recommended that before submitting this preliminary application you review the Minimum Standards for Initial Licensure (Rule 217.1), which is posted under “Help and Resources” on our website at: www.tcole.texas.gov All applicants (regardless of past service) must meet every prerequisite listed there.

One of those mandatory requirements is to submit your fingerprints through “Fingerprint Application Services of Texas (FAST). A detailed instruction form is included below. If you have additional questions, call (512) 936-7700. **If you do not have a FAST location in your area, please call our office to have a FAST application plus hard cards mailed to you.**

PLEASE READ THE FOLLOWING CAREFULLY

If your federal application is approved, you will receive a confirmation email and you can begin to complete the above courses.

Once approved, you will have 180 days to complete all coursework. If the time expires, you will be required to begin the application process again, including the FAST process.

Failure to pass after the last remaining attempt will require you to retake a basic licensing course before being issued another endorsement.
