As the team made entry into the home, they were met with gunfire, and Sergeant Sowders suffered fatal gunshot wounds. One suspect was taken into custody at the scene. Sergeant Sowders had served with the Burleson County Sheriff's Office for seven years and had previously served with the Somerville Police Department.

Police Officer Robert C. Deckard, San Antonio Police Department, End of Watch Friday, December 20, 2013

Police Officer Bobby Deckard succumbed to a gunshot wound sustained on December 8 while pursuing two robbery suspects in Atascosa County. The suspects, who had committed 15 robberies in San Antonio over the past several days, were driving a distinctively painted vehicle that Officer Deckard had spotted. He attempted to stop the vehicle, but the suspects fled. Officer Deckard was pursuing the suspects when one of the men in the vehicle opened fire on him. One of the rounds passed through the cruiser's windshield and struck Officer Deckard, causing his vehicle to crash. He was transported to San Antonio Military Medical Center where he remained in grave condition until succumbing to his wounds. Both subjects were arrested in Wilson County later in the day after attempting to kill a Poth Police Department officer. Responding officers initiated CPR and he was transported to the hospital, where he passed away two days later. Officer Kelley had served with the Trinity University Police Department for three years. He is survived by his mother, brother, and niece.

Agenda item #3, Approval of the minutes of the December 4, 2013, strategic planning meeting at Austin, Texas.

Agenda item #4, Approval of the minutes of the December 5, 2013, quarterly commission meeting at Austin, Texas.

Commissioner Oakley made a motion to approve the meeting minutes of December 5, 2013. Commissioner Lovejoy seconded the motion. The motion passed unanimously.

Agenda item #6, Receive Executive Director's Report. Take action, if necessary.

Executive Director Vickers introduced the newest staff member at TCOLE, Amita Patal. Ms. Patel has almost 15 years of state government accounting experience. She has worked in many facets of accounting including auditing, budgeting, encumbrances, accounts receivable, accounts payable, coding, reporting, reconciliations, and travel reimbursement.

Agenda item #7, Receive reports, items to discuss, follow-up items from previous meetings. Take action, if necessary.

- *Discuss and take action on the Resolution – Division of Responsibilities*

Presiding Officer Richardson reminded the Commission that the resolution was discussed at the December 4, strategic planning meeting. Commissioner Lovejoy made a motion to approve the Resolution – Division of Responsibilities and Commissioner Oakley seconded the motion. The motion passed unanimously.

Agenda item #8, Discuss and take action on the 2013 Law Enforcement Achievement Awards.

Executive Director Vickers directed the commission to the confidential list of names of those being presented for approval to receive the 2013 Law Enforcement Achievement Awards. Commissioner Lovejoy made a motion to approve the list of names. Commissioner Hollingsworth seconded the motion. The motion passed unanimously.

Agenda item #9, Discuss and take action on final orders of amendments to existing TCOLE rules.

John Beauchamp reviewed each of the rules set for final vote. Discussion followed.

- *Final Amendment #1 Rule 211.30, Chief Administrator Responsibilities for Class A and B Waivers.*

Mr. Beauchamp stated that this rule will allow for a waiver of a Class A misdemeanor permitting an agency administrator to apply for a waiver for an individual with a deferred adjudication or conviction after five (5) years. The waiver is specific to the agency of the chief administrator. If the licensee is separated from the agency, the licensee would have to seek another Class A waiver to work at another agency. Additional public comment on this rule was received late yesterday and has been provided to the Commission this morning.

Should the rule pass, is the waiver for an agency or a chief administrator, asked Presiding Officer Richardson. In other words, if the agency administration changes, is the waiver for the agency? Executive Director Vickers noted that the waiver is for the agency.

Commissioner Hollingsworth asked how many Class A's qualify for the waiver to which Executive Director Vickers said additional Class A's could affect the approval of the waiver. Mr. Beauchamp reiterated that the waiver belongs to the sponsoring agency.

Robert Armbruster, Houston Police Officer's Union, asked two questions: (a) is an individual eligible for only one waiver request; and (b) if an individual separates from employment, may s/he seek another waiver from another agency? Mr. Beauchamp explained that if an agency seeks a waiver and it is denied, the agency cannot submit another waiver request for the same individual. If an individual seeks employment with another agency, the new agency may seek another waiver.

Chief Andrew Walters, Oak Ridge North Police Department, commented on the success that he has had hiring individuals with a Class A misdemeanor.

Commissioner Villescas asked if the required list of items (Rule 211.30(c)) must be submitted with each request. Executive Director Vickers confirmed that all items listed in the rule must be included with the request. Commissioner Villescas then asked if a waiver request would be considered if any of the items listed in the rule

were not made available. Executive Director Vickers stated that we need to be able to look at all aspects of the case and it would be more difficult to consider if any of the items were not made available. Commissioner Villescas asked if letters of recommendation were not submitted, would the application be considered to which Executive Director Vickers noted that an application for a waiver can be submitted without the letters of recommendation, but it would be more difficult to obtain the waiver. Mr. Beauchamp noted that the current Class B waiver list of items is the same as it has always been and no new items have been added. If any submitted request is missing items, the chief administrator will be notified.

Commissioner Pennington asked if TCOLE will hire someone with a Class A misdemeanor to be an investigator or field agent. Executive Director Vickers noted that he is in favor of this rule and would entertain the idea of hiring someone, but someone would have a difficult time meeting his standards. This rule empowers a chief administrator. They do not have to consider hiring someone with a Class A. He restated that this rule change is not a TCOLE initiative, but one that was brought forward after receiving numerous requests from chief administrators.

At this point the Presiding Officer called for a motion to determine the need to continue the discussion. Commissioner Lovejoy made a motion to approve final amendment #1 Rule 211.30, Chief Administrator Responsibilities for Class A and B Waivers. Commissioner Oakley seconded the motion.

The Presiding Officer called for additional discussion. Commissioner Hollingsworth noted that the North Texas Chiefs supported the initial proposed rule when the waiting period was ten years. The final proposed rule calls for a five year waiting period, and she doesn't know if these chiefs would support it.

Commissioner Villescas asked if the East Central Police Chiefs Association, who sent an email dated March 24, had been informed of the requirements to request a waiver, and had changed their position on the proposed rule. Executive Director Vickers stated that he called Chief Buske, president of the association, and explained the filters that are in place. Chief Buske relayed this information to his members, but didn't have sufficient input to withdraw the letter.

Commissioner Hester asked Executive Director Vickers to discuss the comments that were received at the regional workshops. The comments ranged from those vehemently against the waiver to those that were in favor of it. Commissioner

Hester noted that the Commission sets minimum standards, and asked Executive Director Vickers to repeat the safeguards that are in place for this waiver. The filters include: (1) agency administrator must apply for the waiver, individuals cannot apply; (2) TCOLE executive director reviews all applications, and filters the applications such as a felony pled down to a Class A, a family violence conviction, or an offense of a sexual nature; (3) chief administrator is required to appear before the Commission; and (4) a waiver is for one agency only.

Commissioner Oakley concurred with Commissioner Hester's statement that minimum standards are set by the Commission and he has confidence in the filter process. He asked if there is a common thread among those opposed to the rule change. Executive Director Vickers noted that most audiences have been mid- to small-sized agencies. There doesn't seem to be a commonality.

Mr. Beauchamp reminded the commission that a Class A is still a permanent disbarment from licensing. The only change with this rule is that a chief administrator has the option of bringing a Class A waiver request to the Commission after five years.

Commissioner Pennington referred the Commission to the Executive Directors Report, Attachment B, Criminal Misconduct Quarterly Report. He is concerned that criminal behavior of currently licensed officers is already being addressed, and now it's being considered to put a subjective standard in place allowing for a Class A waiver to solve an employment problem or any other problem.

Commissioner Villescas asked if those licensed with a Class A would be able to access CJIS, to which Executive Director Vickers said CJIS has been contacted and they base their restrictions on TCOLE standards.

The Presiding Officer called for a hand vote. The motion passed with Commissioners Hood, Oakley, Villescas, Lovejoy, and Hester voting in favor and Commissioners Pennington and Hollingsworth voting against.

- *Final Amendment #2 Rule 217.2 Minimum Standards for Telecommunicators.* Commissioner Lovejoy made a motion to adopt final amendment #2 Rule 217.2 Minimum Standards for Telecommunicators. Commissioner Hollingsworth seconded the motion. The motion passed unanimously.

- *Final Amendment #3 Current Rule 217.11 (Proposed Rule 218.3) Legislatively Required Continuing Education for Licensees. Repeal of Rule 217.11 and renumbering it to Rule 218.3, conforming to statutory amendments.*

Commissioner Hollingsworth made a motion to adopt Rule 217.11 , Final Amendment #3, Legislatively Required Continuing Education for Licensees.

Commissioner Lovejoy seconded the motion. The motion passed unanimously.

- *Final Amendment #4 Rule 219.5 Examinee Requirements*

Commissioner Lovejoy made a motion to approve final amendment #4 Rule 219.5 Examinee Requirements. Commissioner Hollingsworth seconded the motion. The

motion passed unanimously.

Agenda item #10, Discuss and take action on the Request for Waiver of TCOLE Rules 217.1 Minimum Standards for Initial Licensure and 217.23 Basic Licensing Enrollment Standards. (Contingent on the passing of agenda item 9, Rule 211.30, Chief Administrator Responsibilities for Class A and B Waivers)

- *Washington County Sheriff's Office for Mark Anthony Morales*

Executive Director Vickers noted that the documents for the Class A waiver were provided to the Commission at the December 2013 quarterly meeting, and that the sheriff and Mr. Morales appeared before the Commission. Knowing that all documents were presented at the December meeting with the sheriff and Mr. Morales present and addressing the Commission, and not knowing if the rule change for the Class A would pass, Executive Director Vickers, with the consent of the Presiding Officer, approved for the sheriff to not return to the March meeting.

Commissioner Hester made a motion to approve the Class A waiver for Mark Anthony Morales. Commissioner Lovejoy seconded the motion. The Presiding Officer allowed further discussion.

Commissioner Villescas asked if letters of recommendation from those working within the agency are acceptable. Executive Director Vickers confirmed that these letters would be accepted. The Commissioner mentioned that the victim cited two episodes and asked if the other episode, either dismissed or dovetailed into the first episode, was taken into consideration. Executive Director Vickers confirmed that all was taken into consideration. Commissioner Pennington asked if the victim in this case was notified of the rule change. Executive Director Vickers assumes so or the letter requesting the waiver would not have been submitted.

The Presiding Officer called for a vote on the motion. The motion passed with Commissioners Hood, Oakley, Lovejoy, and Hester voting in favor, and Commissioners Pennington, Villescas, and Hollingsworth voting against.

Agenda item #11, Discuss and take action on the fee schedule.

John Beauchamp reviewed the few changes to the fee schedule. Major changes to the schedule include: Proprietary training contract is \$2500 for a 3 year contract; School Marshal license will be \$50; Master telecommunicator certificate has been added with a fee of \$35; Crime Prevention Specialist and Court Security Specialist proficiency certificates are \$35 each; and Renewal application to be an exam site is \$500 for a 4 year contract.

Kathleen Bannon asked to address the Commission. Ms. Bannon noted that she is one of 17 for-profit training providers. She believes it is unfair to have an across the board fee for the for-profit training providers and asked for a sliding fee based on percentage earned from training. Commissioner Oakley asked for an explanation to the change in the fee for the for-profit providers. Executive Director Vickers noted that the fee for the for-profit providers has been the same as the non-proprietary providers. He has received comments across the state asking why for-profit providers are at the same rate as the not-for-profit. Currently there seems to be an influx of for-profit vendors. Commissioner Oakley asked what the change in fee was for the for-profit training providers. Executive Director Vickers explained that the fee was the same as the not for profit providers, \$1,000 for a 5 year contract. There are many non-proprietary contract providers that struggle to provide a good program. For many years, most of training providers in Texas were non-profit. There seems to be an inequity of charging the same amount to a non-profit as a for-profit. Commissioner Oakley asked why TCOLE is charging a fee for the school marshals to which Executive Director Vickers explained that this is statutory. Consideration was given to the amount that would be charged to peace officers, jailers, and telecommunicators should a licensing fee be required in the future. Commissioner Oakley asked if the fees have remained the same, increased, or reduced. Executive Director Vickers stated that the fees have remained the same for quite some time. Additional questions about a possible sliding scale were asked. Executive Director Vickers noted that he is willing to look for a fee method that will be equitable. Commissioner Lovejoy suggested the fee schedule be passed subject to the Executive Director returning to the Commission with a particular grant program that may help reduce the fee. Presiding Officer Pennington asked if each for-profit could be

billed based on the amount of work that they create for staff. The Presiding Officer asked if there is a reason to rush to approve the fee schedule. Executive Director Vickers said that the Master Telecommunicator certificate is a new certificate that needs to be considered today.

Commissioner Lovejoy made a motion to pass the entire fee schedule with the exception of the line item for training contractor proprietary fee. Commissioner Oakley seconded the motion. The motion passed unanimously.

Agenda item #12, Discuss and take action on proceedings for revocation, suspension, and other disciplinary actions.

Agreed Suspension Orders

Quintanilla, Hector A. 11-04-0633LS Mission Police Department

Mr. Beauchamp asked that this item be pulled from consideration.

Raymond Winter with the Attorney General's office addressed the Commission.

Proposal for Decision Orders

Braziel, Christopher A. 12-09-0020LS McLennan County Sheriff's Office

Mr. Winter explained that Mr. Braziel has a Class B misdemeanor DWI and failed to appear at the State Office of Administrative Hearing (SOAH) proceedings. The Administrative Law Judge (ALJ) issued a default proposal of decision and recommended that the license be suspended for ten (10) years. The Executive Director agrees with the ten (10) year suspension.

Commissioner Hollingsworth made a motion that the Commission accept and adopt the recommendations of the Executive Director to enter a final agreed suspension order for Christopher A. Braziel. Commissioner Hester seconded the motion. The motion passed unanimously.

Bryant, Julius R. 11-02-0328LS Dallas City Marshall's Office

Mr. Bryant was convicted of a Class B misdemeanor DWI. He failed to appear at the requested SOAH hearing. The ALJ dismissed the case from the SOAH docket and remanded it to TCOLE for entry of a default order. The Executive Director asks that the

Commissioners enter the default order suspending Mr. Bryant's license for a period of ten (10) years.

Commissioner Hollingsworth made a motion to accept and adopt the recommendation of the Executive Director to enter a final default suspension order for Julius R. Bryant. Commissioner Lovejoy seconded the motion. Presiding Officer Richardson clarified that this would be for a period of ten (10) years.

Commissioner Oakley asked Mr. Winter to explain why one Administrative Law Judge would recommend a suspension of a license and another would dismiss the case and remand it back to TCOLE. Mr. Winter noted that there have been recent changes to the SOAH procedural rules which allow a Judge three ways to handle a case, but the outcome will be the same. If the respondent fails to appear, there will be a default.

Presiding Officer Richardson called for a vote. The motion passed unanimously.

Jackson, Fred *09-03-0365LS* *Dallas County Constable Pct. 5*

Mr. Jackson had two DWI convictions within a one year time frame. The Administrative Law Judge recommended a five (5) year suspension with two (2) years hard suspension and the remaining three (3) years probated. The Executive Director filed exceptions and recommends a ten (10) year suspension with eight (8) years hard suspension and the remaining two (2) years probated. Commissioner Oakley asked if an individual is charged with a second DWI, would this be a Class A. Mr. Beauchamp noted that a second DWI should be a Class A, but for unknown reasons, this one was a Class B.

Commissioner Hollingsworth made a motion to accept and adopt the recommendations of the Executive Director and decline to adopt the recommendations of the ALJ and impose a ten (10) year suspension to Fred Jackson, eight (8) years active suspension and two (2) years probated. Commissioner Lovejoy seconded the motion.

Commissioner Hester stated that he was in total disagreement with the findings of the ALJ and wanted to make it clear for the record that there were several findings that he did not agree with.

The Presiding Officer called for a vote. The motion passed unanimously.

Sanchez, Jr., Joe F. 13-10-0149LS Port Lavaca Police Department

Mr. Sanchez was placed on deferred adjudication for Class A assault/family violence. He failed to appear at his SOAH hearing. The ALJ issued a default order for a ten (10) year suspension of the license. The Executive Director concurs with the ALJ.

Commissioner Hollingsworth made a motion to accept and adopt the recommendation of the Executive Director to enter a default suspension order for Joe F. Sanchez, Jr. for ten (10) years. Commissioner Lovejoy seconded the motion. The motion passed unanimously.

Steen, James F. 11-03-0500LS Dallas Police Department

Mr. Steen received a Class B misdemeanor for DWI. He requested a SOAH hearing. The Administrative Law Judge recommended a two (2) year suspension with one (1) year hard suspension and one (1) year probated. The Executive Director filed exceptions and recommends a ten (10) year suspension with 2 years hard suspension and eight (8) years probated. Certain mitigating factors militated against a hard ten (10) year suspension, but he believed the ALJ's recommendation was inadequate.

Commissioner Hollingsworth made a motion to accept and adopt the recommendation of the Executive Director's exception to the ALJ's decision and enter a recommendation that James F. Steen receive a ten (10) year suspension with two (2) years hard suspension and eight (8) years probated. Commissioner Lovejoy seconded the motion. The motion passed unanimously.

For Information Only

Mr. Winter said the remaining items require no action from the Commission.
