The bus then struck a passing train. Officer Garcia and Officer Davis, along with eight inmates, suffered fatal injuries at the scene.

Officer Garcia had served with the Texas Department of Criminal Justice for almost 23 years. Officer Davis had served with the Texas Department of Criminal Justice for 17 years.

Director Grigsby reported on activities at the legislature that involve TCOLE. The House Appropriations committee recently completed the second round of mark-ups. At this time, they are recommending increasing TCOLE staff by 11 full-time employees including a supervisor of enforcement, funding two investigator positions currently funded by a grant program, three field service agents, one administrative assistant, three civilian academy auditors, and one legal assistant. A measure was adopted allowing TCOLE to work with the Texas Department of Public Safety to form an agreement to fund two investigators with DPS funds. Senate Finance has met and their subcommittee was named on Tuesday. We are actively monitoring 150 bills that relate to law enforcement, and the deadline for filing new bills is March 13. House Bill 370 clarifies provisions of school marshal confidentiality. Commissioner Kyker asked if House Bill 370 would keep the identity of school marshal's confidential, and Director Grigsby confirmed that it will.

For the record, Commissioner Hester and Executive Director Vickers thanked Director Grigsby for her outstanding work during this legislative session.

Executive Director Vickers noted that construction has begun to repair the Peace Officers' Memorial Monument. The 2015 memorial ceremonies begin on May 2 with the Ride for the Fallen, May 3 will be the candlelight vigil, followed on May 4 with the memorial service at the Capitol.

Commissioner Kyker made a motion to approve the Executive Director's Report. Commissioner Oakley seconded the motion. The motion passed unanimously.

Agenda item #6, Take action to enroll and induct officers in the Texas Peace Officers' Memorial Monument. Waive the requirement for induction at a separate Commission meeting, and take action to induct officers into the Texas Peace Officers' Memorial Monument who were enrolled today.

The awards ceremony will be held on Friday, June 12, 2015, at 10:00 a.m. at the Capitol auditorium with a reception immediately following.

Commissioner Hollingsworth made a motion to approve the recommendations for the 2014 Law Enforcement Achievement Awards. Commissioner Pennington seconded the motion. The motion passed unanimously.

Agenda item #8, Receive items of interest. Take action, if necessary.

- Non-compliance

Director Helenberg noted that the 2013-2015 training unit ends August 31, 2015. Non-compliance notices will be sent to agencies in May. TCOLE is experiencing an increase in the number of telephone calls with most answered within 30 seconds. Training rosters are normally posted within 48 hours of receipt, but this will increase to a 5-day turnaround as the volume of calls continue to increase.

Agenda item #9, Discuss and take action on the Request for Waiver of TCOLE Rules 217.1 Minimum Standards for Enrollment and Initial Licensure.

Before addressing the waiver request, Executive Director Vickers noted that since June 1, 2014, there have been 9 waiver requests, 7 Class A and 2 Class B. Six of these requests were denied at the executive director level, and two have been granted by the commission.

- Class A waiver for Angelina County Sheriff's Office, Brenda L. Wilkerson
Sheriff Greg Sanches spoke on Ms. Wilkerson's behalf, asking the commission to pass the waiver because she is a good employee and supervisor. Ms. Wilkerson stated that she didn't report the conviction because she believed she had been charged with a Class C misdemeanor.

Commissioner Oakley made a motion to grant the waiver. Commissioner Pennington seconded the motion. The motion passed unanimously.

At 10:08 a.m., the Presiding Officer called for a short recess.
The meeting resumed at 10:25 a.m.

Agenda item #10, Discuss and take action on final orders of amendments to existing TCOLE rules.

- Final Adoption 1
§ 211.3 Public Information (amendment)
- Final Adoption 2
§ 221.43 Special Weapons and Tactics Proficiency (new)
- Final Adoption 3
§ 221.45 School Resource Officer Proficiency (new)
- Final Adoption 4
§ 221.47 Canine Handler Officer Proficiency (new)

Director Beauchamp noted that the agency received numerous public comments on proposed items 2, 3, and 4, the proficiency certificates. The proposed rules have been amended to reflect those comments.

He then addressed Final Adoption 1, § 211.3 Public Information. This proposal removes reference to the agency's previous website domain name.

Commissioner Hester made a motion to adopt rule number 1. Commissioner Oakley seconded the motion. The motion passed unanimously.

Executive Director Vickers stated there was a significant amount of public comment on proposed rules 2, 3, and 4, and many changes have been made to the original wording based on the comments. There is an on-going dialogue with our stakeholders to ensure that there is an understanding of the proposed rules. He believes it's in the best interest to request that the three rules be taken off the agenda, and be re-proposed in June. Director Beauchamp suggested that first, the three rules proposed in December be withdrawn and second, the language in the final rules incorporate and include the changes that have been made based on public comment.

Commissioner Hollingsworth made a motion to pull down the previously proposed rules from the December meeting, rules 2, 3, and 4. Commissioner Oakley seconded the motion. The motion passed unanimously.

Commissioner Hollingsworth made a motion that in order to address the concerns of the people that have opposition to these rules and to continue with public comment, we propose the same suggested rules as presented today and open that for public comment. Commissioner Oakley seconded the motion. The motion passed unanimously.

Commissioner Villegas asked if staff had reached out to the district attorneys association and Texas Association of Counties on the liability issue concerning the three proficiency certificates. Executive Director Vickers confirmed that we have submitted the proposed rules to the association for review and comment.

Commissioner Pennington asked if the issuance of certificates is permissive or mandatory, expressing concern on unfunded mandates and civil liability issues. Executive Director Vickers referred to Texas Occupations Code, §1701.402 which states

that, "The commission shall issue certificates that recognize proficiency based on law enforcement training, education, and experience."

Chief Gene Ellis asked to address the commission and stated that he was representing the Texas Police Chief's Association. Chief Ellis noted that the association supports the recognition of the accomplishments of officers, but has concerns of manufacturing liability and of eroding local decision making. He acknowledged that Executive Director Vickers has been very open to dialogue on these issues, listens to the concerns, and addresses them. He pointed out that many have asked if there is a need for the proficiency certificates, have expressed concerns about liability issues, the two-year renewal, inconsistencies in the three proposed proficiency certificates in that one offers multi-levels and the other two do not, and finally what other certificates will TCOLE be providing. He thanked the commission for tabling the agenda item in order to allow for additional dialogue.
