A summary of Class A waivers was given from a request of Commissioner Hester in the March quarterly commission meeting. John Beauchamp stated that since 2014 there were 19 requests submitted. Ten were presented to the commissioners, 10 were approved, and 10 are still working for the approved agency.

Credentialing and Field Services Report-Director Kenny Merchant noted that TCOLE will be receiving additional funding for the school marshal program from the governor's office. TCOLE is working on a grant to work in partnership with existing training providers to train additional school marshals before the school year begins. Retiree firearms qualifications policy follows federal statute allowing for 10 years of service.

Enforcement and Special Services Report-Director Michael Antu said a school marshal class is beginning on Sunday, June 17. This is an 80 hour course that will be done in 7 days. There will be three classes before September 1<sup>st</sup>. The school marshal curriculum has been updated but will need some adjustments. These three classes are being used for trainers to go through the class as a train the trainer. The focus is on these three classes and we are planning on having a train the trainer class after the first of the year. TCOLE has received 13 new ISD applications since the shootings in Santa Fe. We will get the paperwork processed with a 30 day turnaround. Noncompliance cases are now below 500. These are the ones that we are having difficulty locating the officers.

Government Relations Report-Director Gretchen Grigsby reported that the Texas Peace Officers' Memorial ceremony received good feedback. The committee is now planning the 2019 ceremony. The TCOLE Achievement Awards are tomorrow morning. The school safety Senate hearing was this week and the House hearing is on June 28<sup>th</sup>. For the next legislative session, the Legislative Appropriations Request will be submitted late July, and the Strategic Plan was submitted last month.
