CALL 713-466-5824

The City of Jersey Village covers approximately 4 square miles, and is located in northwest Harris County near the intersection of 2 major highways; US highway 290 and Beltway 8. The large volume of people moving through our city on a daily basis contributed to 10,360 traffic stops and 870 arrests in 2019.

The total population is 8,017, and the median age of residents is 39. Households in Jersey Village earn a median yearly income of \$67,932, with 46% of households earning more than the national average each year.

★ A MESSAGE FROM THE CHIEF ★

On behalf of the men and women of the Jersey Village Police Department, I want to thank you for considering our department for your new law enforcement family. The Jersey Village Police Department is an innovative, proactive and progressive organization that utilizes state-of-the-art equipment and technology, and we are seeking individuals who exemplify integrity and professionalism to join our team. We are an active agency with a family atmosphere. As an officer with Jersey Village, you will be empowered with having the responsibility and authority to maintain public order, while also having the opportunity to engage with citizens and to identify and solve problems. You will positively affect your community on a daily basis as this career choice, while filled with challenges, is both rewarding and exciting.
