What is a Public Safety Officer?

Our public safety personnel are tri-certified as a police officer, firefighter, and paramedic, with rotating assignments during each shift.

What are the duties of a Public Safety Officer?

- Patrols the Town of Highland Park
- Enforces all town ordinances, state, and federal laws
- Drives emergency vehicles
- Performs fire-fighting duties
- Provides emergency medical treatment to the sick or injured
- Preserves community values

What sets Highland Park DPS apart from other departments?

- Public Safety Officers are cross-trained in the three disciplines and engage in each of them daily. It is a demanding profession that requires highly qualified and motivated officers.
- Our department takes a holistic approach to taking care of each officer and their families, including mentally, physically, and financially.
- We work hard each day to deliver the highest levels of service to the citizens of Highland Park regardless of the type of call. This requires quality people with the highest ethical and moral standards and a desire to be of service to the community. It also requires rigorous education and training to be proficient at our jobs.
- Only by selecting the best people and providing the best training are we able to provide the best service. If this is the type of challenge you seek, then this is the department for you!

What is the shift schedule like?

Our Operations personnel work a "48 hours on, 96 hours off" schedule, with rotating assignments during each tour of duty.
