

PUBLICATION IN *TEXAS REGISTER*

The Texas Commission on Law Enforcement (Commission) adopts amended 37 Texas Administrative Code §218.3, Legislatively Required Continuing Education for Licensees, with changes to the proposed text as published in the May 17, 2024 issue of the *Texas Register* (49 TexReg 3489-3491). The rule will be republished.

This adopted amended rule conforms with the amendment to Texas Occupations Code §1701.253(q) and the addition of Texas Occupations Code §1701.3525 made by Senate Bill 1852 (88R). Texas Occupations Code §1701.3525 requires that officers complete not less than 16 hours of training on responding to an active shooter as part of the officer's required 40 hours of continuing education every 24 months. This adopted amended rule clarifies the continuing education requirements regarding the 16 hours of Advanced Law Enforcement Rapid Response Training (ALERRT) for chief administrators licensed as peace officers and all other peace officers. All officers must complete ALERRT Level 1 training by August 31, 2027. Chief administrators licensed as peace officers must complete ALERRT command and leadership training each training unit as part of the 16 hours of required continuing education on responding to an active shooter. This will provide chief administrators with appropriate instruction on commanding an active shooter scene.

The public comment period began on May 17, 2024, and ended on June 20, 2024, at the conclusion of the public meeting of the Commission. One public comment was received supporting the adoption of the amendment in its adopted form.

Gene Ellis, Executive Director of the Texas Police Chiefs Association, agreed with the Commission in removing from the proposed amended rule the requirement that a chief administrator's designated senior level peace officers complete ALERRT command and leadership training because designated senior level peace officers cannot be defined due to the differences in law enforcement agencies across the state. Removal of this requirement does not prevent a chief administrator from sending senior level peace officers to ALERRT command and leadership training.

The amended rule is adopted under Texas Occupations Code §1701.151, General Powers of the Commission; Rulemaking Authority, and §1701.253, School Curriculum. Texas Occupations Code §1701.151 authorizes the Commission to adopt rules for the administration of Occupations Code Chapter 1701 and to establish minimum standards relating to education and training for the licensing of officers. Texas Occupations Code §1701.253 requires the Commission to establish minimum curriculum requirements.

The amended rule as adopted affects or implements Texas Occupations Code §1701.151, General Powers of the Commission; Rulemaking Authority, §1701.253, School Curriculum, §1701.351, Continuing Education Required for Peace Officers, and §1701.3525, Active Shooter Response Training Required for Officers. No other code, article, or statute is affected by this adoption.

The adopted amended rule has been reviewed by legal counsel and found to be a valid exercise of the Commission's legal authority.
