New Training Coordinator Training

On Wednesday, November 30, 2016, a New Training Coordinator Training will be offered by TCOLE. This training covers Administrative Rules 215 and 217.1, as well as a comprehensive review of training file components and best practice samples. Late arrival or early departure nullifies course credit. Those who attend the whole training session will receive up to six (6) hours of TCOLE credit.

Any academy or contract training coordinator may attend.

The training is free, but travel expenses, including lodging and meals, are the student's responsibility. Attendees not wishing to drive off campus for lunch may purchase a full meal at the DPS Academy's cafeteria for \$4.00, cash only.
