

MINUTES - QUARTERLY MEETING
March 1, 2012

The quarterly meeting of the Texas Commission on Law Enforcement Officer Standards and Education (TCLEOSE) was held on Thursday, March 1, 2012, starting at 9:30 a.m. The meeting was held at the J.J. Pickle Research Campus, The Commons Learning Center, 10100 Burnet Road, Bldg 137, Austin, Texas.

Commissioners attending were Sheriff Joel W. Richardson, Presiding Officer; Mr. Steve Griffith, Assistant Presiding Officer; Dr. Johnny E. Lovejoy, II, Secretary; Constable Ron Hood; Mr. James Oakley; Senior Police Officer Joe Pennington; Ms. Patt Scheckel-Hollingsworth; Chief Ruben Villescas; and Mr. Randy Watson.

Also attending were Assistant Attorney General Raymond Winter and Daniel Wiseman. TCLEOSE staff attending included, Executive Director Kim Vickers, John Helenberg, Chris Davis, Brian Roth, Laurie Abernathy, Lynn Beard, Jim Clifton, Darla Dixon, Thurman Felder, Lisa Fontenot, Dennis Graffious, Richard Gutierrez, Carey McKinney, Kenneth Merchant, Randy Odom, James Oswalt, Doug Staudt, Kaye Wilson, and Nicole Yoakum.

Agenda item #1, Call to order

Presiding Officer Richardson called the meeting to order. The flags were presented by the members of the Randall County Sheriff's Office Honor Guard followed by the pledge of allegiance to the United States flag and to the Texas flag led by Commissioner Oakley. Executive Director Kim Vickers led the invocation.

Presiding Officer Richardson introduced the members of the Honor Guard, Sgt Tegan Tupin; Deputy Colby Doak; Deputy Cody Weavers; Sgt Matt Stockstill; Sgt Jared Wirt; Deputy Kevin Willis, and thanked them for their assistance.

Kaye Wilson called the roll and announced that all members were present.

The presiding officer introduced special guests at the meeting. Justice Melissa Goodwin was appointed to the commission by Governor Rick Perry on September 21, 2009. She served on the board for fourteen months and resigned to run for public office. She now presides over the 3rd Court of Appeals. Also introduced was former TCLEOSE employee Ivan Messer who left the agency after 16 years of service to join the staff at the Texas Commission on Environmental Quality. It was announced that Chris Davis who has served as Director with the Enforcement and Legal Division has left the agency to become Chief of the fraud unit with the Texas Department of Insurance. The presiding officer noted that the three special guests made vital contributions to the agency and have been greatly missed.

Agenda item #2, Approval of the minutes of the December 1, 2011, Commission meeting at Austin, Texas

- a. *Work Session* – Commissioner Griffith made a motion to adopt the minutes of the December 1, 2011 work session. Commissioner Hollingsworth seconded the motion. The motion passed unanimously.

- b. *Quarterly Meeting* – Commissioner Griffith made a motion to adopt the minutes of the December 1, 2011 quarterly meeting. Commissioner Oakley seconded the motion. The motion passed unanimously.

Agenda item #3, Approval of the minutes of the January 12, 2012 Commission meeting at Austin, Texas.

This agenda item will be addressed at the June 7, 2012 meeting.

Agenda item #4, Receive Presiding Officer's Report. Take action, if necessary

No action taken on this item.

Agenda item #5, Receive Executive Director's Report. Take action, if necessary

Executive Director Vickers asked the commissioners if they had any questions about the report that they received prior to the meeting. Commissioner Hollingsworth asked for an explanation on the issues with the POSEIT training. Executive Director Vickers explained that the free, on-line training offered through POSEIT is especially important to the officers that aren't able to travel to receive training. The funds for the on-line training were cut by \$286,000 per biennium by the 82nd legislature with the idea that TCLEOSE could charge for proficiency certificates. The first half of this biennium, TCLEOSE has raised approximately \$8,000 by charging for certificates. At this rate, the agency cannot maintain course content or infrastructure that is needed for the free, on-line training.

Presiding Officer Richardson thanked Executive Director Vickers for keeping the commissioners well informed. The early notification of proposed rule changes on the agency's web site as well as notification to the various law enforcement associations proved successful and we continue our transparency in government.

Commissioner Griffith made a motion to accept the executive director's report. Commissioner Lovejoy seconded the motion. The motion passed unanimously.

Agenda item #6, Receive reports, items to discuss, follow-up items from previous meeting. Take action, if necessary

- a. *Legislative committee appointments* – Presiding Officer Richardson removed himself from this committee so that there will not be a quorum of commissioners when they meet.

Agenda item #7, Discuss agency strategic plan and regional workshops. Take action, if necessary

The presiding officer thanked those that attended the regional workshops and gave input to the commissioners as they develop a strategic plan for the agency. A list of the suggestions that were made in the workshops are available at the sign-in table. Commissioner Hollingsworth added that she attended all workshops and received a warm response from the communities and attendees. She noted that this furthers the transparency in government. Commissioner Pennington thanked those that attended the regional meetings and those that attend the quarterly commission meetings.

Agenda item #8, Discuss and take action to approve the recommendations for the Law Enforcement Achievement Awards

Executive Director Vickers explained that the agency receives nominations, forwards the nominations to a panel of judges that represent a spectrum of law enforcement agencies,

(sheriff, chief, university chief, constable, etc.) and this panel narrows the field to the finalists. The executive director has reviewed the final decision of the judges and concurs with their decision.

Commissioner Lovejoy made a motion to accept the recommendations for the Law Enforcement Achievement Awards. Commissioner Griffith seconded the motion. The motion passed unanimously.

Agenda item #9, Discuss and take action on the Request for Waiver of TCLEOSE Rules 215.15 enrollment Standards and 217.7 Minimum Standards for Initial Licensure

a. *Jeremy Valle and the Frio County Sheriff's Office*

This item was tabled until the June 2012 meeting

b. *Marissa Sanchez and the Terrell County Sheriff's Office*

Sheriff William McDonald asked the commission to consider a waiver for Ms. Sanchez. She was convicted of a Class B misdemeanor in 2006. The employment application for the sheriff's office asks if the applicant has been convicted of a Class B within the last five (5) years and Ms. Sanchez truthfully answered that she had not. Sheriff McDonald noted that their application should have asked if the applicant had been convicted within the last ten (10) years, and the application has since been corrected. The commissioners had several questions for Ms. Sanchez.

Commissioner Griffith made a motion to accept the waiver as presented. Commissioner Villegas seconded the motion. The motion passed with Commissioner Pennington opposing.

Agenda item #10, Discuss and take action on proposed orders of amendments to existing TCLEOSE rules

- 12_31_211.1 Definitions
- 12_32_217.1 Minimum Standards for Initial Licensure
- 12_33_217.7 Reporting the Appointment and Separation of a Licensee
 - Proposal A
 - Proposal B
- 12_34_217.11 Legislatively Required Continuing Education for Licensees
- 12_35_217.19 Reactivation of a License
- 12_36_217.20 Retired Peace Officer Reactivation
- 12_37_219.1 Eligibility to Take State Exams
- 12_38_219.2 Reciprocity for Out of State Peace Officers, Federal Criminal Investigators, and Military Police
- 12_39_221.3 Peace Officer Proficiency
- 12_40_223.13 Surrender of License
- 12_41_223.17 Reinstatement of a License

Randy Odom asked the commissioners to make one change to the title of proposed rule 12_33_217.7, Reporting the Appointment and Separation of a Licensee. The change is to add "or Telecommunicator" to the title.

Commissioner Lovejoy made a motion to approve the change. Commissioner Griffith seconded the motion. The motion passed unanimously.

Executive Director Vickers explained that Proposal A of 12_33_217.7 would place into rule a current policy where a hiring agency must obtain a copy of the L-2 medical and L-3 psychological from a previous agency if the applicant has less than a 180-day break in service. Staff does not believe this is the direction that the agency wants to go, so does not support the adoption of Proposal A. Proposal B of 12_33_217.7 does not refer to obtaining copies of previous forms, and only contains minor changes that are needed at this time. Staff is interested in proposing a more stringent rule on the medical and psychological. Presiding Officer Richardson stated that he has received feedback from agencies concerning proposed rule 217.7, and those that contacted him urged the adoption of Proposal B.

Commissioner Lovejoy made a motion to adopt Proposal B and requested staff to return with a proposal to go forward with this item as it is a big concern. Commissioner Hollingsworth seconded the motion. The motion passed unanimously.

Executive Director Vickers noted that Texas lags behind many IADLEST (International Association of Directors of Law Enforcement Standards and Training) member states in our process to reactivate an expired license. He explained the current reactivation process (rule 217.19) and gave an example of how the rule is implemented. If an individual serves as a peace officer for 6 months in 1982, leaves law enforcement to pursue another career, retires from that career, and wants to return to law enforcement, he only needs to complete 40 hours of training and to pass the peace officer's licensing exam. He stated that there is a shelf life on police training. Therefore, the staff recommends that the following steps be taken to reactivate a license. If a license is inactive for less than 2 years, the individual takes the mandated training to reactivate. If a license is inactive for 2 years but less than 5 years, the individual completes the supplemental peace officer course and passes the licensing exam. If a license is inactive for 5 years or more, the individual must complete a basic peace officer academy. There is no change to the current statute and rule for retirees to reactivate their license. Commissioner Oakley asked for feedback that has been received on this proposed rule. Executive Director Vickers noted that he has addressed several chief's training courses, and this proposal has been met with a resounding, "It's about time." He has contacted Executive Director Steve Westbrook with the Sheriff's Association of Texas and Mr. Westbrook noted that some may not support the rule change, but he believes that the sheriffs would offer overwhelming support. There was additional discussion on the physical activities required in an academy and whether someone retired from another career could pass the course. It was noted that there are some academies offering reduced physical requirements. Director Helenberg stated that this only applies to those with an inactive license, not those that have maintained their legislatively required training and kept their license active.

Commissioner Hood asked if, under rule 219.1, an individual is dismissed from a licensing exam for cheating, is the individual allowed to retake the licensing exam. Executive Director Vickers stated that the exam cannot be retaken until another licensing course has been completed.

Commissioner Griffith made a motion to approve 217.19 as staff has recommended. Commissioner Lovejoy seconded the motion. The motion passed unanimously.

Commissioner Griffith made a motion to approve all the recommended changes to the rules as proposed. Commissioner Oakley seconded the motion. At this point, Randy Odom pointed out the changes to 217.20 which changed the definition of "inactive." The changes to 217.19 also impact other rules such as 219.1 and 219.2. Inactive will be defined as the first unit or cycle that the licensee fails to complete the continuing education training and the licensee is not

appointed. Commissioner Griffith re-stated the motion that with the exception of 217.7 and 217.19, we approve all of the proposed rule changes. Commissioner Oakley seconded the re-stated motion. The motion passed unanimously.

Agenda item #11, Discuss and take action on final orders of amendments to existing TCLEOSE rules

- 12_30_221.35 Firearms Proficiency for Juvenile Probation Officers

Randy Odom reported that there were no public comments given on this final rule change.

Commissioner Griffith made a motion to approve 12_30_221.35. Commissioner Hollingsworth seconded the motion. The motion passed unanimously.

Agenda item #12, Discuss and take action on proceedings for revocation, suspension, and other disciplinary actions.

Assistant Attorney General Raymond Winter and Daniel Wiseman addressed the commission concerning disciplinary action.

DEFAULT ORDER FOR REVOCATION OF LICENSE

Manuel Moreno	248181	09-07-0702LS	TX Dept. of Public Safety
		10-06-0637LR	TX Dept. of Public Safety
		10-09-0042LS	TX Dept. of Public Safety

Mr. Winter noted that there were 3 different offences committee by Mr. Moreno. Mr. Moreno failed to show for his hearing with the State Office of Administrative Hearing (SOAH) thereby receiving a default from SOAH. The executive director is asking that the commissioners issue a default order revoking Mr. Moreno's license.

Commissioner Griffith made a motion to accept the executive director's proposal for default order on Manuel Moreno. Commissioner Hollingsworth seconded the motion. The motion passed unanimously.

FINAL ORDER SUSPENSION OF LICENSE

Thomas David Rodriguez	81500	10-01-0231LS	Kerrville Police Department
------------------------	-------	--------------	-----------------------------

The proposal for decision from SOAH has been issued. The morning of the March 1 commission meeting there were negotiations between counsel for Mr. Rodriguez, counsel for the executive director, and the executive director resulting in a proposed agreed order for a ten (10) year suspension, with two (2) years hard suspension and the remaining eight (8) years probated, with the two year hard suspension backdated to the date Mr. Rodriguez terminated his employment as a peace officer. This would be in January 2010. Presiding Officer Richardson asked counsel for Mr. Rodriguez if he had any additional comments. Mr. Phillips was available for questions, but had no comments to add.

Commissioner Griffith made a motion to accept the executive director's recommendation for an agreed upon suspension of ten years, two of which are hard and eight being probated with the beginning date to be the date of termination. Commissioner Oakley seconded the motion. The motion passed with Commissioner Hollingsworth opposing.

FINAL ORDER SUSPENSION OF LICENSE

Ryan A. Ward 307978 10-07-0712LS Stafford Police Department
This is a license suspension action brought by the Executive Director that went before the Administrative Law Judge (ALJ) judge for obstruction of a highway, Class B misdemeanor. The ALJ issued a proposal for decision recommending the period of suspension be entirely probated. The Executive Director filed an exception to the proposal for decision.

Mr. Wiseman stated that by rule the commission is limited to suspension to time served on community supervision, in this case, seven (7) months and one (1) day. Because of the gravity of the offense, the fact that another driver was injured and that alcohol was involved, the executive director believes this warrants a hard suspension.

Mr. Ward and his attorney, Robert Armbruster, addressed the Commission. Mr. Ward stated that there was driver distraction as he was changing a CD, using his phone, and trying to upright a tobacco spit cup when he swerved in the other lane and struck another driver. He stated that he had a few drinks that night, but he does not believe he was impaired. EMS responded to the call and the other driver asked to be taken to the hospital. Mr. Ward suffered a broken nose and a lip injury that required stitches. His agency has retained him in the telecommunication center and is holding a patrol position for him. Mr. Armbruster noted that the Fort Bend County District Attorney did not prosecute for DWI and that the case was refilled as obstructing a highway. Mr. Armbruster referred to Finding of Fact #12 where an alcohol abuse screening determined that Mr. Ward needed no further evaluation or treatment. Executive Director Vickers referred to Finding of Fact #11 where Mr. Ward was required to complete a court mandated Texas DWI education course. In the executive director's opinion, if the court felt it necessary to require him to attend a DWI education program, there was enough of an alcohol factor in the case that warranted it being considered as an alcohol related accident. Mr. Armbruster noted that the ALJ did not change her decision after the executive director filed the exception. Mr. Armbruster asked the commissioners if they are going to punish Mr. Ward or if they are going to let him continue his career. Mr. Armbruster presented a letter from the chief at Stafford and confirmed that this letter is not part of the record. Mr. Wiseman reminded the commissioners that they are limited to the facts that were presented at the SOAH hearing. Now there is information being offered that is outside of the record and that the commissioners may not consider it in reaching a decision.

Commissioner Pennington made a motion to accept the ALJ's ruling. Commissioner Oakley seconded the motion. The presiding officer called for discussion. Commissioner Lovejoy asked that Mr. Winter explain "punishment" that was mentioned earlier by Mr. Armbruster. Mr. Winter noted that what the commissioners do is not punitive. The commission is not in the business of punishing peace officers. The commission's actions are remedial, not punitive. Their actions are for the protection of the law enforcement profession. They are remedial sanctions that are applied to a license, they are remedial under the eyes of the law.

Presiding Officer Richardson stated the motion that was made and seconded, and called for a vote. The motion passed with Commissioners Villescas and Hollingsworth voting against and Commissioner Griffith abstaining.

FINAL ORDER SUSPENSION OF LICENSE

Autumn L. Wheat 98050 08-08-1663LS Fort Worth Police Dept.
This item previously appeared before the commissioners, but was continued as there was an underlying civil conviction on appeal. The conviction has since been upheld. The executive

director and the respondent have negotiated an agreed resolution which would result in a 10 year suspension, 2 years hard suspension and 8 years probated with the 2 years hard be retroactive to the date Ms. Wheat terminated her commission. The executive director recommends the proposed settlement be approved by the commission.

Commissioner Griffith made a motion to accept the executive director's recommendation for an agreed final order of a 10 year suspension, 2 years hard, 8 years probated, starting at the date of conviction. Commissioner Oakley seconded the motion. Director Davis noted that the negotiation was for the date of separation rather than the date of conviction. Commissioner Griffith amended his motion that the hard suspension would be effective starting October 10, 2009. Commissioner Oakley seconded the amendment. The motion passed with Commissioner Hollingsworth and Commissioner Lovejoy objecting.

AGREED FINAL ORDER SUSPENSIONS

NAME OF LICENSEE	PID#	DOCKET#	LAST DEPARTMENT

Mr. Winter noted that these items are for information and no action needs to be taken.

Agenda item #13. Receive public comment on any topic, without action

Robert Armbruster addressed the commission asking that in light of proposed rule 217.19 the commissioners consider requiring the separating agency to provide a copy of the reactivation rule to those leaving the agency, but not those retiring from the agency.

Agenda item #14. Executive Session to discuss pending litigation and personnel issues consistent with Section 551.074 and Section 551.071 of the Texas Government Code, Open Meetings Act

At 11:40 a.m., the commissioner went into executive session.

Agenda item #15, Return from Executive Session to report and /or discuss further actions to be taken as a result of the Executive Session.

The commissioners returned from executive session at 12:20 p.m. Presiding Officer Richardson stated that no action was taken during executive session.

Agenda item #16, Adjourn

Commissioner Oakley made a motion to adjourn.
