Special guests included Libby Elliott from the Governor's office. Presiding Officer Richardson thanked Ms. Elliott for attending the meeting. Director Grigsby introduced Saul Mendoza with Representative James White's office and John Wielmaker with the Legislative Budget Board.

Agenda item #1, Call to order

Presiding Officer Richardson called the meeting to order at 9:30 a.m. The presentation of colors was by the Randall County Sheriff's Office Color Guard. Members of the Guard were Cpl. Cody Weavers, Deputy Jay Claxton, Deputy Shea Adlong, Sgt. Tegan Tupin, Sgt. Ray Gibbons, and Sgt. Jeff Hooten. Commissioner Oakley led the pledge of allegiance, and Commissioner Hester gave the invocation. Roll was called, and a quorum was present.

- Sergeant Korby Kennedy, San Angelo Police Department, EOW June 25, 2015

- Deputy Darren Goforth, Harris County Sheriff's Office, EOW August 28, 2015

Presiding Officer Richardson thanked Governor Greg Abbott for supporting the law enforcement officers, and thanked the licensees for protecting and serving the citizens.

Agenda item #3, Approval of the minutes of the June 11, 2015, quarterly commission meeting at Austin, Texas.

Commissioner Oakley made a motion to approve the minutes. Commissioner Burruss seconded the motion. The motion passed unanimously.

Agenda item #4, Receive Presiding Officer's Report. Take action, if necessary.

This item was not addressed.

Agenda item #5, Receive Executive Director's Report. Take action, if necessary.

Executive Director Vickers noted that the agency received new full-time positions from the legislature, and we have posted four of these positions. Interviews have been conducted on two of these positions, and selections have been made pending the completion of a background investigation. We are accepting applications on the remaining positions.

The training coordinators conference will be held in Corpus Christi at the Omni Hotel October 19–22. As of August 27, 545 people have registered for the conference with these numbers increasing daily. The host hotel and overflow hotel are booked, and there are only a few exhibitor spots remaining.

Restoration work on the Peace Officers Memorial continues.

This year is TCOLE's 50th anniversary and Representative Tony Dale introduced a Resolution honoring the agency. Copies of the resolution were provided for each of the commissioners.

Commissioner Oakley made a motion to accept the Executive Director's Report. Commissioner Hood seconded the motion. The motion passed unanimously.

Agenda item #6, Receive Operations Director's Report. Take action, if necessary.

Operations Director John Helenberg noted that a training unit ended on August 31, and there are approximately 800 names that appear on the non-compliance list. Because training providers have 30 days to report the completion of training, some of these names will be removed from the list as those rosters are received.

New training provider contracts will now be a 2-step process:

Step 1: Application received and a needs assessment will be conducted by staff. Staff approves to move forward or denies the application.

If approved, applicant pays the \$1,000 fee.

If not approved, applicant may petition the Commission to overturn staff's recommendation.

Step 2: Staff conducts an on-site inspection. Applicant is awarded a 2-year probationary contract. At the end of the second year if all is satisfactory, a contract for the remaining 3 years will be issued.

The Commission previously asked staff to conduct additional research on whether a for-profit training organization should have a higher contract fee than a not-for-profit. Mr. Beauchamp noted that regulatory and licensing agencies are to focus on health and safety issues and not erect barriers that could make it more difficult for the for-profit companies. We should be cautious in regulating private industry. Executive Director Vickers said that the Governor's office does not want regulatory agencies to treat private enterprises differently, don't place barriers for private industry. Therefore, he recommends that a higher fee should not be placed on private industry for training.

Commissioner Oakley made a motion to accept the Operations Director's Report. Commissioner Kyker seconded the motion. The motion passed unanimously.

Agenda item #7, Receive Government Relations Director's Report. Take action, if necessary.

Government Relations Director Gretchen Grigsby said as a result of new legislation, curriculum is being developed on seven training items. We are currently awaiting interim charges from the Lt. Governor and the Speaker of the House. The County Affairs Committee will be discussing issues of jail safety and psychological screening of

officers. The Senate Criminal Justice Committee has asked TCOLE to testify later this month on mental health training for officers. The agency's strategic planning process will begin early 2016.

Commissioner Oakley made a motion to approve the Government Relations Director's Report. Commissioner Pennington seconded the motion. The motion passed unanimously.

Agenda item #8, Discuss and take action on the Request for Waiver of TCOLE Rule 217.1 Minimum Standards for Enrollment and Initial Licensure.

Of these, only 40 are still appointed, approximately 20 are in civil service cities, and the remainder are with smaller departments. Under the new rule, upon arrest for a felony offense and the employing agency doesn't submit an F-5, TCOLE will issue the order for license suspension until disposition. If TCOLE fails to issue an order, the licensee can appeal to the Travis County District Court. The licensee can challenge the suspension to the State Office of Administrative Hearings (SOAH). If the licensee doesn't win the challenge at SOAH, the license is suspended until there is a conviction, dismissal, or placement on deferred adjudication. This will only apply to arrests after the date of adoption of the rule, it will not go back and address those 40 that are still appointed.
