JOB SUMMARY

The Victoria Police Department is hiring qualified police officer candidates to join our team and to help enhance the livability of our community. VPD sets the bar for professionalism, innovation and a progressive approach to our policing strategies. Our workforce of more than 115 officers and 32 civilian support personnel are a dedicated, enthusiastic group of professionals who proudly serve over 65,000 Victoria residents.

The Victoria Police Department offers a competitive salary and retirement structure, great health benefits, and many other incentives such as paid time off and department-issued uniforms and equipment.

Officers have lateral and promotional opportunities. Regardless of the assignment, you will work in an environment that fosters leadership, teamwork and courteous service to our community.

No prior law enforcement experience is required but must be certified as a TCOLE Peace Officer. Upon employment, you will participate in the City of Victoria Police Department Field Training Program. You will receive specialized training from some of the finest officers in law enforcement.

Salary amount offered will depend on qualifications. Lateral pay scale recognized for Senior Police Officers. This is a non-exempt position.

Applicants currently attending a TCOLE Academy are encouraged to apply.

Employment eligibility will require successful completion of the Academy courses and certification as a TCOLE Peace Officer.
