Fire/Arson Investigator

An Equal Opportunity Employer

SALARY: Depends on Qualifications

OPENING DATE: 03/27/20

CLOSING DATE: 04/27/20 12:00 AM

POSITION DESCRIPTION:

A Fire/Arson Investigator is a certified peace officer that investigates the origin and cause of fires or explosions that threaten life, property, or the environment. The Fire/Arson Investigator reports to a supervisor and any management member and may work from either office or field location, depending on work assignment. The incumbent has a working knowledge of recognized standards for fire investigations, fire inspections, fireworks, fire and life safety hazards, including LGC. 352.016.

- Investigates the origin and circumstances of assigned fires and explosions and determines whether the event was the result of design, carelessness, or natural cause based on nationally recognized standards.
- Ensures quality, accuracy, and timely completion of assigned tasks including program management in accordance with Harris County Fire Marshal's Office (HCFMO) policies and procedures.
- Assists in preparing a case to present to the district attorney or other proper authority where there is evidence of an incendiary fire.
- Performs administrative functions in accordance with policies and procedures, to include completing, reviewing, and maintaining records and reports; and developing summary data reports, as required.
- Performs as a member of an Incident Management Team during emergency or disaster situations.
- Maintains situational awareness of all HCFMO activities.
- Serves on committees, boards, or other teams as assigned by the Fire Marshal.
- Performs assigned tasks safely and documents and reports initial accidents, injuries, or health exposures in accordance with accepted safety practices and HCFMO policy.
- May be assigned to any division within the HCFMO.
- Performs other duties as directed by a supervisor or senior staff member.
