Oak Ridge Police Department has acquired a 5-year contract to provide School Resource Officers for International Leadership of Texas Schools in the Houston, Katy, and Orem areas.

These positions consist of working in the school as a school resource officer. The goals are to protect the children, staff, parents, and resources. Officers must be able to develop and foster positive working relationships with principals, staff, parents, and students at each campus. The hours will be approximately 0700 to 1700 and the workdays will be Monday through Friday throughout the school year. These days and hours may vary according to campus and extra-curricular needs.

During the school year officers are asked to attend work daily. There is no relief factor for personnel so we ask officers to remember they will be given plenty time off in the Summer months. Officers will be off on school holidays which includes Thanksgiving and Christmas as well as other holidays. Officers will have most of the summer off from the end of the school year until school starts up again in the Fall, except for meeting training requirements for the department. There will be training throughout the year but most of this training will occur before school starts in the Fall.

Salaries will range from \$48,000 to \$52,000 depending on experience and years of service. We offer a robust benefit package which includes medical, dental, vision, and life insurance for individuals who are interested. Officers will need to furnish their own weapon. Oak Ridge will provide uniforms and other associated equipment.

The schools needing officers are the following;

- IL Texas Windmill Lakes K-8
- IL Texas Windmill Lakes-Orem HS
- IL Texas Orem K-8
- IL Texas Kathy-Westpark HS
- IL Texas Westpark K-8
- IL Texas Katy K-8
