

Become a Public Safety Telecommunicator

JOB OPPORTUNITY

The College Station Police Department is seeking professional, tech-savvy individuals to fill critical positions as a public safety telecommunicator. Responsibilities include:

- Processing emergency (9-1-1) and non-emergency requests for police, fire and medical services.
- Monitoring two-way radio channels, computer-aided display systems and other sophisticated communications equipment.
- Communicating and referring critical information to public safety first responders.
- *See website for complete position responsibilities.*

IDEAL CANDIDATES

Individuals in this position are considered essential in that they support 24-hour public safety communications operations. Our ideal telecommunicators will possess:

- A high school diploma or G.E.D.
- The ability to multitask in a high-stress environment.
- TCOLE certification or can obtain certification within one year of hire.
- *See website for complete position requirements.*
