Hourly Rate Range: $18.04 / $37,523.00
Emergency Operations Classification: Tier 1 Essential

JOB SUMMARY

• Under general supervision of the Dispatch Supervisor
• Answers emergency calls and non-emergency call requests from citizens or agencies to determine if call is to be dispatched, handled over the telephone, or routed to another department
• Enters service calls into the Computer Aided Dispatch (CAD) system
• Dispatches the appropriate police and fire/EMS apparatus
• Perform related work as required

EXAMPLES OF ESSENTIAL FUNCTIONS

• Answers telephone calls made to 9-1-1 emergency and non-emergency phone lines to determine if the call requires Police, Fire, or other agency response. Provides appropriate information or assistance as required by the nature of the call. Utilizes technical software applications for call answering, entering, assigning, and announcing via radio equipment. Utilizes mapping technologies from phone equipment and Computer Aided Dispatch (CAD) to ensure calls are entered timely and accurately.
• Prioritizes and dispatches appropriate resources for police and fire operations. Refers reports and/or complaints to either agency by trunked radio or telephone. Provides supplemental information to police and fire staff as needed.
• Maintains status of on-duty sworn and non-sworn staff from Police, Fire, and investigation using numerous radio talk groups. Monitors on-call lists throughout the city and makes appropriate notifications to off-duty and/or on-call staff as required.
• Coordinates with other agencies, citizens, and businesses to gather information, make referrals, or dispatch assistance. Coordinates mutual aid requests as required and implements automatic assistance agreements with applicable agencies. Documents updates and/or changes in the computer-aided dispatch system as required.
• Conducts computer searches through local, state, and national databases for possible wanted persons or stolen property, and provides information to the requesting officer. Confirms stolen property or wanted/missing persons, enters data into TCIC/NCIC as requested, and sends and receives teletypes. Maintains the city’s court case database with updated records for arrests.
• Compiles and enters data for various daily reports required by the department and records information in computer systems maintained for police and fire staff.
